COMMITTEE ON FOREIGN RELATIONS

WASHINGTON, D.C. 20510

March 27, 1975

The Honorable
William E. Colby
Central Intelligence Agency
Washington, D.C.

Dear Mr. Colby:

On behalf of the Committee on Foreign Relations, I would like to invite you to appear at hearings to be held in April on strategic arms limitation.

You will appear under full Committee auspices at the hearings, which are being held by the Subcommittee on Arms Control, International Organizations and Security Agreements.

Particular attention is to be given the accords reached last November at Vladivostok and to the protocol to the Anti-Ballistic Missile Treaty of 1972 signed in Moscow last July 3. I hope you will give the Members your view as to the present Soviet strategic situation and possible options which would be faced by Soviet planners during the course of the proposed ten-year agreement between the United States and the Soviet Union.

I would suggest a hearing date at the earliest opportunity, perhaps the 9th or 10th of April. The Committee staff will be in touch with your staff to set a firm date. If you or your staff desire further information, please call Mr. George W. Ashworth of the Committee staff at 224-5481.

Sincerely,

John Sparkman
Chairman
